## Riddle's Great Colt Wins Feature Race in Gallop

Ties Mark for Mile and Quarter on Saratoga Track Made by Sir Barton; Upset and John P. Grier Are the Victims

By W. J. Macbeth  
SARATOGA, N. Y., Aug. 21.—If any further proof were necessary that Man o' War is the greatest horse ever developed in the history of the American turf, it is not indeed of turf history, Samuel C. Riddle's great three-year-old this afternoon furnished the clinching argument in the Travers Handicap when he galloped the mile and a quarter in 2:01.4, tying the track record, which was set by Sir Barton in his wonderful race of the opening day of the present meeting. The Travers has a guaranteed cash value of \$15,000, and by his easy victory this super-horse added \$2,275 to his fine list of winnings.

Man o' War has been given some wonderful ovations in his brilliant career, but nothing which approached the popular acclaim that greeted him as he returned to the scales after to-day's running of the Travers. Fully 35,000 enthusiasts, the greatest throng that ever jammed its way into the Saratoga track, made a fuss and a furore that must have carried all the way to Albany. Well has it been said that no thoroughbred in the history of the same Saratoga Man o' War takes him over a route.

In the Dwyer stakes at Aqueduct Harry Payne Whitney's John P. Grier for a mile and a sixteenth showed the way to the horses of the century. Then, a sixteenth from home, Man o' War broke Grier's heart. Man o' War has been out several times since for winning efforts, Grier had not raced again until this afternoon.

**Better Looking Than Ever**  
Man o' War never looked more impressive than he did this afternoon. John P. Grier looked far below the wonderful antagonist of the Dwyer. Though Man o' War was a trifle older than when he was a colt, he was a trifle more by Andy Schuttlinger, who had the mount, and though Schuttlinger had the great horse pulled into a hand gallop through the last sixteenth, still Man o' War was able to notch the record for the mile and a quarter.

John P. Grier, on the other hand, was beaten off nearly a hundred yards and finished third to upset his companion, which has the distinction of being the only thoroughbred ever to take the measure of the great Riddle's colt. The year ago was a fluke pure and simple.

John P. Grier was not good enough to make Man o' War extend himself at any stage of the race. The Whitney colt, John P. Grier and Upset, the only three-year-olds that dared accept the issue with the champion of champions, broke a bad start. But in a flash, the stride Man o' War had pulled away into the lead.

At the end of a quarter mile, as they passed the judges' first time, Man o' War was almost a length in front of John P. Grier and Upset had already dropped a length and a half behind his stable mate.

Though plainly to be seen that he was under no strain and fighting for his head, Man o' War continued to draw away from John P. Grier as they swung round the first turn. The superior was two lengths in front of the contender as he straightened for the long run down the backstretch. Man o' War was running smoothly as a colt, and his gallop was a ground with rhythmic bounds that never seemed to vary an inch and that took him flying at remarkable speed without the least apparent effort.

Man o' War was showing without the least apparent effort that he was a colt.
